## **LOUVERS** *by Cladito*

**LOUVERS by Cladito** has grown, based on a philosophy of product innovation and the ability to offer a range of profiles that complement design development for multiple applications. We take great pride in helping you choose **LOUVERS by Cladito** as an alternative of genuine value, from the usual choices to create lasting beautiful outdoor spaces

LOUVERS by Cladito is a **WOOD PLASTIC COMPOSITE (WPC)** based product with an Elite range of Fluted panels that are modern and classy. A remarkable combination of nature and technology, that offers a highly Superior, Resilient and Cost-Effective alternate to real wood Panelling. LOUVERS by Cladito a WPC Louver Panels are

pre finished, ready to Install, completely Water & Termite Proof and durable enough to Last-Long.

**LOUVERS by Cladito** a WPC PANEL THAT DOESN'T FEAR FROM WATER & EXTREME EXTERIOR WEATHER CONDITIONS.

THE WORLD IS MOVING TOWARD WPC & NOW IT'S TIME, YOU DO TOO... WPC (Wood Plastic Composite) is today a popular choice of material, thanks to its inherent characteristics of natural wood aesthetics combined with the tenacity to endure harsh outdoor conditions. This results in a long-life unusual for natural wood, even with regular maintenance.

## WHY CHOOSE **Louvers by Cladito** over **WOOD & Other Exterior Material?**

Louvers by Cladito, Panels can be used to beautify all Exterior Walls, Ceilings & Soffits in homes, offices, hotels, healthcare centres, educational institutes, health clubs, recreation facilities, etc without the fear of deformation, breakage, Color variation.
